

PRESS RELEASE - SOME TOURISTS (2025)

SOME TOURISTS is a re-edited video work based on documentation captured by JACQUES ROGERS and CATHERINE OSTERBERG during PACKAGE HOLIDAY INEVITABLE featuring DOUBLE VIRSO LIVE in MASALUF, a conceptual performance by MARIO SUARDIAZ.

ORIGINALLY RELEASED AS DOUBLE VIRSO LIVE in LONDON and MASALUF, the FOOTAGE WAS distributed without involvement from the artist, and REFRAMED the WORK as a CONVENTIONAL CONCERT FILM. THIS VERSION REASSERTS the RELATIONAL and SITE-SPECIFIC LOGIC OF the ORIGINAL PERFORMANCE.

MASALUF, as the STAGING ground, IS NOT INCIDENTAL—it IS CENTRAL. TOURISM, CULTURAL EXPORT, AUTHORSHIP, and SPECTACLE ALL FORM the CRITICAL context in which the FOOTAGE is reintroduced.
